70841	21 Green	173×128×128	1,200	4 960910 708419		
70851	21 Green with Receiver and Tripod	—	—	4 960910 708518		

1 B

Features

- Laser light in strong mode is easy to see in bright places, yet not overly bright in dark places while in weak mode. Long-lasting batteries enables continuous use over a long time.
- Highly visible green laser
- Power consumption can be reduced by changing exposure only to necessary lines (except 21)
