

# 16. Thermometers/Hygrometers/ Environmental Measuring Instruments

Packaging **S** Shrink package **B** Box **VH** Vinyl package + header card **V** Vinyl package **C** Clear package  
**SP** Sleeve package **BI** Bag **BS** Bag + header card **C** Card **○** No package

## Maximum and Minimum Thermometer

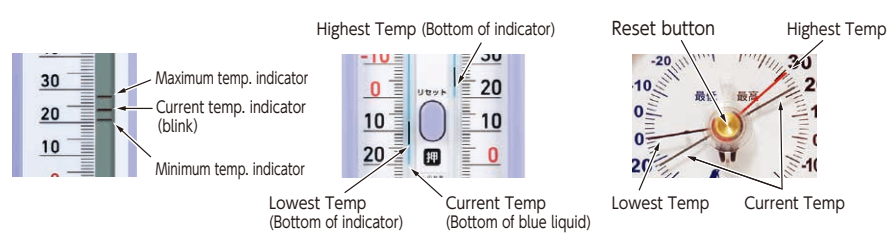

73043

72701

72715

| Item Code | Description     | Body Size (mm) | Weight (g) | JAN Code        | Packing Unit | Packaging |
|-----------|-----------------|----------------|------------|-----------------|--------------|-----------|
| 73043     | D-10 Waterproof | 217×64×19      | 146        | 4 960910 730434 | 5            | <b>SP</b> |
| 72701     | D-11            | 220×65×23      | 120        | 4 960910 727014 | 5            | <b>SP</b> |
| 72715     | D-9             | φ106×43        | 80         | 4 960910 727151 | 5            | <b>SP</b> |

### Features

- Can check the maximum/minimum temperature and measure the current temperature
- Maximum and minimum temperatures can be reset with one touch
- Simultaneously displays digital numbers and temperature bars. Temperature bars can be used to see current temperature, maximum temperature and minimum temperature at a glance. (73043)
- Water-resistant for worry-free use even if it gets slightly wet at warehouses or greenhouses (73043)

### Use

- For temperature and temperature control in various situations
- Temperature control in greenhouses, etc.

### Specifications

| Item Code            | 73043                                                                                        |
|----------------------|----------------------------------------------------------------------------------------------|
| Accuracy             | 0 - 40°C: ±1°C Other values: ±2°C                                                            |
| Measuring Range      | -10 - 50°C                                                                                   |
| Minimum Display      | Numbers: 0.1°C<br>Single Bar Graduation: 1°C                                                 |
| Measurement Interval | 10 sec*1                                                                                     |

### Features

- C/C-2
  - Standard thermometer
- C-5
  - Beautiful pine wood finish
- M-023
  - Shows suggested air-conditioning temperatures

### Use

- For temperature control at homes, in classrooms, or offices, etc.
