Features

- Great durability with IR resin material that makes it hard to break
- Easy color on eyes even during prolonged use
- Surface is processed to suppress light reflection
- Because they are cut by NC automatic engraving machine that is controlled by computer, the lag from the indicated line is minimal and the surface is smooth for more accurate drawing
- Ring hole helps prevent loss (Except 66031)

- Unique edge prevents ink from running off and enables drawing without making the ink bleed (66002/66003)

Use

- For drafting such as design and drawing
