

Tape Measure TOUGH GEAR Automatic Stop

80814

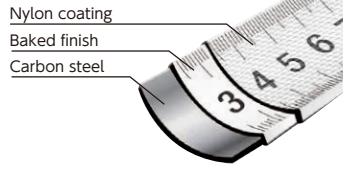

80816

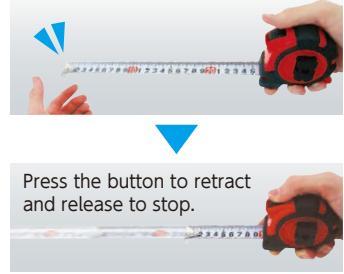

Item Code	Description	Body Size (mm)	Weight (g)	JAN Code	Packing Unit	Packaging
80814	19-5.5 m JIS	80x83x41	258	4 960910 808140	4 (40)	
80815	25-5.5 m JIS	80x83x46	309	4 960910 808157		
80816	25-5.5 m/shaku	80x83x46	309	4 960910 808164		

Refer to p.2 about the shaku scale

- Nylon coated tape for durability against friction and scratching

- Automatic stopper locks the tape at any pulled position

Features

- JIS Grade 1 (metric graduation model)
- Comes with a hook guard
- Shock-proof protector covers the body
- Shock absorber attached to reduce impact when retracting tape
- 455 mm increments indication
- Zero point auto-correct hook
- Comes with a metal shaft to which a safety cord can be attached
- Belt clip and strap come as standard

Use

- For measuring length
- For measuring when measure tip cannot be hooked

Specifications

Item Code	80814	80815	80816
Tape Length	19 mm	25 mm	5.5 m
Material	Body: ABS resin Cover: Elastomer resin Tape: Carbon tool steel		

Tape pattern

	19 mm 5.5 m	Front: 3 4 5 6 7 8 9 10 1 2 3 4 5 Back: without graduation
	25 mm 5.5 m	Front: 3 4 5 6 7 8 9 10 1 2 3 4 5 Back: without graduation
	25 mm (shaku)	Front: 133m 2 3223m 3 4 5 Back: without graduation

Holder for Tape Measure

80831

- Compatible with horizontal belts and full harness vertical belts

80825

- Detachable with one touch

Features

MAG-LOCK Holder for Tape Measure

- Instantly catches stopper and can be easily removed with one hand
- Stopper can rotate 360° when attached to the holder, which lessens impacts
- Gap prevention spacer prevents gaps for belts of different thicknesses
- Holder can be attached without removing belt and firmly fixed with its screw
- Hold release button is located in center for either vertical or horizontal belt attachment
- Metal swivel hook for safety cord attachment

One-touch Holder for Tape Measure

- Safety cord can be attached
- Detachable while belt is on

Use

- For tape measure holders
- For safe use of tape measure when working at height

Specifications

Item Code	80831
Attachable Belt	Less than 60 mm wide and less than 4 mm thick
Attachable Tape Measure	Shinwa Rules' Tough Gear/Light Gear/Smart Gear Series
Material	Body: ABS resin, polycarbonate resin, polycacetyl resin Magnet: Neodymium Screw: Iron Stainless hook, Shaft pin Spring: Stainless steel Nut: Iron, brass
Included	Installation stopper, gap prevention spacer, Screw

Item Code	80825
Attachable Belt	Less than 60 mm wide and less than 4 mm thick
Attachable Tape Measure	Over 20 mm width of installing area and over 12 mm length of installation screw
Material	Body: ABS resin, polycarbonate resin
Included	Installation stopper
