Features

- Magnets on the Replaceable Frame make it easy to change the board surface

- Does not reflect camera flash easily during photography so board will show clearly

With special processing

Without special processing

- Choose from 9 patterns of large and small according to the worksite

Use

- For changing the Replaceable Frame's board surface
- For on-site record photography
- *A separate replacement frame is required (p.89).

- *Please use the special board marking pen (p.93).
